2020 UNITED WAY LEADERSHIP GIVING PROGRAM

WHO ARE UNITED WAY LEADERS?

Every year, United Way Regina creates an honour roll in order to highlight and acknowledge our leadership donors who come together to lead change around our community's most #UNIGNORABLE issues. Our leadership donors show a deep commitment to United Way Regina, and the well-being of local people, and take action through their donations of \$1,200 or more.

Many leadership donors have been giving to United Way for many, many years and we want to celebrate this! We are officially launching the Red Feather Loyalty Program to honour the long-time dedication of our donors who have supported United Way Regina over two decades, or more.

Red Feather Loyalty & Leadership Donor

United Way Regina has a long history in our community; spanning decades of commitment to supporting local programs that help bring forth change and enhance the lives of those living within our city. Our history is rich with stories of love and inspiration and this is only because of the donors who have contributed to our journey over many years.

The red feather has played an important and symbolic role throughout United Way's history. It represents **courage, compassion, and integrity**.

In 2020, United Way Regina is reinvigorating the red feather as a timeless symbol of commitment through this loyalty program and focusing on those who have been giving consistently for 20+ years.

To all of our leadership donors.... We acknowledge **YOU**, and celebrate all your efforts that have helped to build a stronger community for all who live here.

“Building strong communities require two types of leadership. First from individuals and companies who volunteer or contribute financially. Secondly, from organizations like the United Way, who provide a conduit where these resources can be focused to make great things happen. The combination of collective resources and common goals make our communities and our people, stronger and Regina is blessed to have both in large quantities.”

RIPPLES SWELL TO WAVES OF CHANGE

This booklet is dedicated to all the pathfinders and change makers who go above and beyond to help create lasting social change in Regina.

Thank you for showing your Local Love!

**UNITED
WE FIGHT.
UNITED
WE WIN.**

Leadership Donors in Regina are champions who support our community with their generosity. By giving a gift of \$1,200 or more annually to United Way, these donors support people in overcoming poverty, help kids to succeed, and build stronger, more thriving communities.

In 2019, a total of **361** Leadership Donors invested more than **\$1,080,500.00** in the future of our city to fight UNIGNORABLE issues, and change local lives.

“ At United Way Regina, we continue to work collaboratively with community partners to build a better future for our clients and the larger community. Let’s continue to build together.”

Darren McKee

Executive Director, Saskatchewan School Boards Association
Chair, Board of Directors

OUR COMMITMENT TO COMMUNITY

To tackle the toughest problems our communities face, we must first untangle the challenges and truly understand what is before us. When we have the power of our community behind us, we can invest resources to mobilize change, and move the needle. This is the power of United Way.

UNITED WAY FOCUS AREAS

- **All That Kids Can Be** – Every child should have the basic building blocks to stay on track to succeed – in school, and in life.
- **Poverty to Possibility** – A place to call home, a job and a sense of belonging – we can ensure more people in our communities achieve financial independence and stability.
- **Healthy People, Strong Communities** – Ensuring our communities are great for everyone by improving equity, connections and overall well-being.

COMMUNITY GRANTS & FOUNDATIONS

Community grants and foundations play a unique, critical role in the progress of social change. Many individuals, families and groups choose to manage their philanthropy through private or family foundations which connect donors to local non-profits to address community needs.

WOMEN UNITED IS LAUNCHING IN REGINA – FALL 2020!

LET UNITED WAY REGINA HELP YOU ACHIEVE YOUR PHILANTHROPIC GOALS

Our city's greatest challenges call on the power and generosity of our entire community. By joining forces with United Way, you can show your local love in a variety of ways by supporting local programs that will have the greatest measurable impact in our community, sharing in our belief that for a city to be great it has to be great for everyone.

- **Donation of Securities:** By donating securities directly to a charity as opposed to selling them and donating the proceeds, the capital gains tax can be eliminated. This means **more money for the charity and a greater charitable tax credit for you.**
- **Planned Giving:** By supporting United Way Regina with a planned gift, you will help shape the future of our city and continue to improve the lives of individuals and families today, and tomorrow. You can be confident your gift will ensure the supports that thousands of people rely on remain stable and accessible for years to come.

A bequest is the most common type of planned gift. This can be a sum of money, a piece of property or a percentage of your estate that is designated to United Way Regina in your will. Other types of planned gifts also include RRSPs/RRIFs, life insurance, stocks/securities, charitable remainder trusts and gifts-in-kind.
