## **Communithon Announces 2022 Recipient Community Agencies**

United Way Regina and the Weyburn Communithon Committee have approved ten (10) Community Agencies to receive funding from the 2022 Communithon. These Community Agencies provide valuable programs and services in Weyburn and the surrounding area.

The Community Agencies receiving support through the 2022 Communication are:

- Big Brothers Big Sisters Weyburn;
- Canadian Mental Health Association;
- Community Low Income Centre;
- Canadian National Institute for the Blind (CNIB) Foundation;
- Envision Counselling and Support Centre;
- Inclusion Weyburn;
- Southeast Advocates for Employment;
- Spinal Cord Injury Saskatchewan;
- Weyburn Care-a-Van; and,
- Weyburn Youth Centre.

The annual Communithon's goal is to help raise funds for these agencies, and support their invaluable work in our community.

The Communithon committee is in the planning stages for the 2022 Communithon, which will tentatively be held at the Weyburn Royal Canadian Legion on Friday, October 28th. The Communithon committee is dedicated to ensuring that our community agencies receive the funding and support they require, so that they can continue providing necessary programming and services to residents in the Weyburn area.

We welcome community involvement and other volunteers to join our committee. Follow our [Facebook page](#) or visit our website at [www.communiton.com](http://www.communiton.com) to find out more information on how you can help the Communiton committee plan the 2022 Communiton!
