

You help change lives.

Because of you, United Way has helped to improve the lives of our friends and neighbours by working collectively with a network of change makers. Together, we have addressed tough issues such as poverty, poor mental health, and childhood literacy levels, but now more than ever our community needs our combined support.

With your commitment, we can ensure that we continue to work towards solutions that protect vital services and programs so they remain available for those most vulnerable.

When you invest in United Way, your investment improves lives now, and contributes to lasting social change tomorrow, right here in our community.

What does **LOCAL LOVE** look like?

Campaign for Grade Level Reading

"My students love to read their NEW books from our Classroom Library. They look forward to reading them during our 'daily silent reading' times in the mornings and during 'partner reading' during our literacy centers.

My students have a positive attitude towards reading and love the wide selection of fiction and non-fiction books we have in our classroom.

We have access to our school library once a week for 40 minutes. It is so much easier and efficient having our own classroom library to choose books from whenever they are done reading one book, there are so many more (easily accessible) for them to choose from."

- **Amanda**, Educator

Show your LOCAL LOVE, donate today.

\$10/month

Provides children with 12 books per year to start their own at home library. We know education is key to addressing poverty. In Regina, 45% of students enter kindergarten not knowing letters or numbers.

\$20/month

Provides a child with access to at least one nutritional meal every day for a month. In Saskatchewan, children under the age of 17 account for more than 40% of those facing food insecurity in their own homes.

\$50/month

Provides youth with programming in building skills and supporting mental health in a safe environment. One in five people struggle with their mental health and you can help individuals find the support they need, when they need it.

\$100/month

LEADERSHIP DONATION

Helps families struggling with various forms of trauma-related challenges receive culturally sensitive, solution focused counselling and referrals to services.
