

# BE A COMMUNITY LEADER

Leadership donors have the power to **change** lives and **inspire** others to give.

With a donation of **\$1,200** or more, Leadership donors are ready to drive change, willing to set a powerful example and become part of the solution to our community's complex social issues.

Our Leaders are passionate about leaving their mark by creating lasting change and by becoming a Leadership donor, you can ensure a nutritional lunch for **30 students** for an entire month that would otherwise have gone hungry or send a child to a **2 week Summer Success** literacy camp and help them become tomorrow's leaders.

Show your **LOCAL LOVE** and become a Leadership donor today. Visit [unitedwayregina.ca](http://unitedwayregina.ca) to learn more
